

NEW 2018 **GENERAL MEMBERSHIP** **MEETING DATE & LOCATION**

The General Membership at our November 2017 General membership meeting voted to amend the Bylaws of the Association to move the Monthly General Membership Meetings to the 2nd Wednesday of the Month and the meetings are to be held at a central location. Monthly meetings in June, July and August will be fire department visits. Moving to the 2nd Wednesday allowed 4 more districts to participate since there was not District Board meeting conflicts!

The members through various contacts/discussions have indicated that it would be best to have the monthly membership meetings at a central location, the members decided that Burien was pretty central and was available without a use fee! The members also felt that there needed to be a district visitation component for our monthly meetings, so the members decided that the June, July and August general membership meetings would be traveling to a host district in the county.
