When

Wednesday, April 11, 2018 from
6:00 PM to 8:00 PM PDT
[Add to Calendar](#)

Where

**Burien/Normandy Park Fire
Department, Station 28**
900 SW 146th St
Burien, WA 98166
(206) 242-2040

[Driving Directions](#)

Meeting Topic:

Puget Sound Emergency Radio Network (PSERN)

We will be learning about PSERN that will replace the current King County Emergency Radio System that is used by first responders to coordinate activities at emergency events, communicate with each other and with their supervisors directing response activities. Time is often critical during emergency situations therefore dispatch and first responders need a reliable radio communications system to help them respond efficiently.

This system replaces the current system that has been used since 1992. The new system should be fully operational in 2020.

As always these meetings are free and dinner is provided!
